

MATTAPAN COMMUNITY HEALTH CENTER

Rock the Boat Fact Sheet

Rock the Boat is Mattapan Community Health Center's signature Fundraising Gala, which began in 1997. The goals of this Gala are to raise funds for our work, recruit friends and to honor individuals who are making significant contributions in the Community Health Center Movement.

The 1997 Gala set in motion the framework for the Health Center's Annual Galas, which was held every April on Boston's premier cruise tour ship Spirit of Boston. In 2006, because of the success of our gala, we relocated to a larger venue on land.

In 2012, the Gala will again bring together more than 500 of Boston's stakeholders for a special evening at the Renaissance Boston Waterfront Hotel. The evening will be filled with excitement and enthusiasm beginning with a Cocktail Reception, followed by Dinner, Awards Ceremony – **Community Health Pinnacle Award**, a silent auction and ROCKin' to live music. Join us on Saturday, April 28, 2012.

The Health Center has raised more than \$3 million since 1997. Participation has increased more than 30% and sponsorships have also increased significantly since the beginning. Our goal is to raise \$400-500k annually. We are proud that "Rock the Boat" has become synonymous with a "Night to Remember" as well as a "Good Time Event."
